**Coin Toss Activity**

When the activity starts you should stand up.

I will ask you to choose  'heads' or 'tails'.

If you think 'heads', put your hands on your head.

If you think 'tails', put your hands on your rear end.

I will toss a coin.

After I toss the coin…

If you are correct…stay standing. If you are wrong…sit down.

I will repeat the actions until it is obvious that we have a winner.
