## Substance Abuse Prevention Performance Task

Schools, playgrounds, and public facilities often post a sign stating that it is illegal to smoke or use tobacco products on the property. Imagine that you been asked to create a sign for your school stating that it is against the rules to use tobacco, alcohol, inhalants, or other drugs on school property. Choose one topic (tobacco, alcohol, inhalants, or a drug) to be the focus of your sign.

Include the following requirements on your sign:

- Words, slogan, or statement that the substance should not be used on school property
- Picture or image relating to your topic
- 1 or more harmful effects of the substance
- Include color to enhance the sign
- Optional: Other information to convince kids to not use the substance

An example of an actual anti-smoking sign is provided below. Make sure to include all the requirements on your sign.
